Dear Sir or Madam,

John / Geg

Thank you *very much* for participating in our food rescue and delivery program and donating your surplus food to **Island Harvest**.

Our staff and volunteers will be **distributing your donation** within our network of active registered member agencies throughout Nassau and Suffolk counties, which includes soup kitchens, food pantries, shelters, Head Start programs, senior centers and others. Once there, it becomes a **vital resource** for 316,000 Long Islanders – including nearly 100,000 children and approximately 40,000 seniors – at risk of hunger, whom our agencies serve.

From saving carting costs to boosting staff morale, companies tell us that they benefit from donating to Island Harvest. As a result of the support you provide to those in need, good customer relations are engendered and a message is sent that you are an organization with strong values that supports the community where you do business.

You should be proud that you and your staff made the wise choice of donating your product in lieu of throwing it away. This important choice has truly touched the lives of so many this year.

THANK YOU AGAIN!

Sincerely,

Migdalia
