Dear John,

I want to personally thank you for your generous donation to the First Annual Evening of Dining and Dancing in support of the Multiple Sclerosis Comprehensive Care Center at Stony Brook University Medical Center. I am pleased to announce that the event raised more than \$52,000 for the Center at Stony Brook!

The Multiple Sclerosis Comprehensive Care Center at Stony Brook University Medical Center is dedicated to the care and treatment of individuals living with Multiple Sclerosis. A team of neurologists, nurses and physical therapists specialize in the treatment of this disease, and are recognized internationally for their efforts and success.

My family and I are proud supporters of this Center and are grateful for your partnership in the search to find a cure for Multiple Sclerosis. We look forward to seeing you at next year's event!

Sincerely,
