Dear John:

I would like to thank you for J. King's "Lunch" sponsorship for our 12th Annual Golf Outing held at St. George's Golf and Country Club in Stony Brook, NY. Built in 1917 by famed Devereux Emmet, St. George's is known for its narrow fairways and small fast bentgrass greens. The challenging course proved just that for our golfers and even though they are good at their game, not one was able to realize a final score of 72, the course's par.

Again, we were blessed with sunny weather, the sun coming out as the players took to the course and stayed out for the rest of the day with the wind picking up to either help or hinder one's driving or putting. We had our pick of numerous and plentiful foods for breakfast, lunch and dinner. It's a wonder we had room for it all. Our Raffle winners were evenly distributed among the room and the Silent Auction boasted some great courses to do what we like best - golf.

Thank you again for your generous support to Long Island Farm Bureau Golf Outing fundraiser. Every dollar raised will help support the future of Long Island Agriculture. Stay tuned as we plan to offer another unique and challenging course to test your skills for our 13th Outing. In the meantime - Keep Golfing.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe", written over a large, light-colored circular stamp or watermark.

Joseph M. Gergela, III
