Dear Mr. Ferraro,

Thank you *very much* for participating in our food rescue and delivery program, and donating your surplus food to **Island Harvest** from your food show that was held on April 13th, 2010.

Our staff and volunteers **distributed your donation** within our network throughout Nassau and Suffolk Counties, which includes **450+** soup kitchens, food pantries, shelters, Head Start programs, senior centers, and others. Once there, it became a **vital resource** for the more than 259,000 Long Islanders – including 93,000 children and 39,000 seniors – at risk of hunger, whom they serve.

From saving carting costs to boosting staff morale, companies tell us that they benefit from donating to Island Harvest. As a result of the support you provide to those in need, good customer relations are engendered and a message is sent that you are an organization with strong values that supports the community where you do business.

For your information, our records indicate that **J Kings** donated **7,950** pounds of food to Island Harvest, which helped to supplement **6,211** meals.* You should be proud that you and your staff made the wise choice of donating your product in lieu of throwing it away. This important choice has truly touched the lives of so many this year.

THANK YOU AGAIN!

Sincerely,

Migdalia Otero, CFR
Vice President of Operations and Programs
