\$72.95

Enjoy the farm fresh Island Oasis® new Watermelon flavor. The product is gluten free, has no artificial flavors or high fructose corn syrup, includes less added sugar, and is the first such frozen product in the foodservice industry.

With its versatile flavor and formulation, Watermelon extends seamlessly to on the rocks applications, such as cocktails and aguas frescas, allowing for the penetration of non-commercial accounts such as Colleges and Universities, while also continuing the Island Oasis tradition of flavors that create great tasting smoothies and frozen cocktails.

Each carton makes 5 16 oz. smoothie servings or 8 12 oz. cocktail servings.
