

Dear J.Kings Customers,

**Please Note: J.Kings has not sold any of these affected products, but we want to make you aware of this USDA recall on the specific iceless green onion products and lots listed below.**

We have received information regarding green onion recalls being conducted by three (3) suppliers; Steinbeck Country Produce is recalling due to the USDA having found a positive result for salmonella on iceless green onions shipped by Steinbeck Country Produce of Salinas, CA. The onions were farmed and packed by a grower in Mexicali, Mexico, near the California border. Church Brothers distributed 2655 boxes from the same lot that is affected by this voluntary recall. Ocean Mist's decision follows confirmation from federal regulators of a positive test for salmonella on iceless green onions supplied by Circle Produce to several shippers, including Ocean Mist Farms.
