**PEANUT CORPORATION OF AMERICA'S EXPANDED RECALL RESULTS IN RECALL  
OF SELECT KASHI™ TLC™ CHEWY GRANOLA BAR FLAVORS  
AND SELECT KASHI™ TLC™ CHEWY COOKIE FLAVORS**

La Jolla, CA – As a result of the expansion of Peanut Corporation of America's recall to include all peanut ingredients produced in their Blakely, Georgia facility since Jan. 1, 2007, a voluntary nationwide recall has been issued for the following products:

- *Kashi™ TLC™* Chewy Granola Bars in Trail Mix and Honey Almond Flax varieties, 7.4-ounce box with a "Best If Used Before" date prior to September 19, 2009 and followed by the letters CD (SEP 19 2009 CD);
- *Kashi™ TLC™* Chewy Granola Bars Peanut Butter, 7.4-ounce box with a "Best If Used Before" date prior to August 8, 2009 and followed by the letters CD (AUG 08 2009 CD);
- *Kashi™ TLC™* Chewy Cookies in Oatmeal Dark Chocolate, Happy Trail Mix and Oatmeal Raisin Flax varieties only, 8.5-ounce box with a "Best If Used Before" date prior to July 30, 2009.

These products are also included in some Club assortment and variety packs of *Kashi TLC* products. No illnesses have been reported to date in connection to these products. Consumers can also visit the following Web site for information on this recall: [www.kashipeanutbutterrecall.com](http://www.kashipeanutbutterrecall.com).

Consumers who have purchased the recalled products are urged to destroy them. Consumers with questions or who would like a refund may contact the Consumer Response Center at 877-701-5868. Consumers with questions or concerns about their health should contact their doctor.

*Salmonella* is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. For more information on *Salmonella*, please visit the Centers for Disease Control and Prevention's Website at <http://www.cdc.gov>.

Distributors and Operators who have purchased the recalled products are urged to destroy the product. Product needs to be destroyed via a compactor or by removing the product from all packaging

and disposing in a locked dumpster. If you do not have the capability to dispose of the product per these instructions contact Kellogg Customer Service at 1-800-376-0361.

For a list of various company recalls and for more information on FDA's ongoing investigation, visit FDA's Web site at [www.fda.gov](http://www.fda.gov).
