

Food Service Professionals, Inc.

CDL Route Drivers

J. Kings Food Service Professionals, Inc. delivers product to restaurants, delis, country clubs, hospitals, and other food service establishments in the New York metropolitan area. Our route drivers deliver a variety of products including frozen, fresh, dry, meats, vegetables etc. We treat our drivers with integrity and respect. All of our routes are within 100 air miles of our facility and this enables all of our drivers to begin and end their day at home.

Due to our rapid growth J. Kings Food Service Professionals, Inc is hiring route drivers, and tractor trailer drivers.
